

A.A. Groups' Meeting Policies for Children

In 2016 Access Sonoma County asked groups to share their policy on allowing children at their meetings. We are providing this to members so that you'll know what meetings your child(ren) are welcome to attend with you.

All meetings listed welcome supervised children.

The meetings listed below have kindly responded to our survey. In addition to these meetings, there are many Open meetings that welcome children. Please check them out on a case by case basis.

Please email kidfriendly15@gmail.com if you would like to add your group's information to the survey, if you have information updates, or if you have ideas or experience that might make meeting attendance easier for parents, kids, and everyone else.
