

**SONOMA COUNTY INTERGROUP FELLOWSHIP
2018 ANNUAL A.A. ALKATHONS
Community of Christ Church, Range and Steele, Santa Rosa, CA**

This letter is to announce the drawing for the 2018 A.A. Alkathons during the Thanksgiving, Christmas and New Year's holidays. Below is a tear-off application form for all three events. Each A.A. group may host one of the 14 Alkathon meetings scheduled for each of the holidays.

Please have your Intergroup representative **bring this form to SCIF General Meeting on September 24, 2018**. If your group doesn't have a rep, someone from your group must be present to participate in the lottery process. **There are no preassigned meetings lots—all slots are open.** The lottery will include all applications received. Applications will be chosen at random. This will be repeated until either all slots are filled or all applications are chosen. **Unfilled slots will be available to fill at the conclusion of the lottery process.** After the drawing, each selected group's representative will receive notification as to the time of their group's meeting. Detailed instructions and responsibilities will be included.
