2012 General Service Conference Workshop Topic for Group Sharing *"Safety in A.A.: Our Common Welfare"*

"Each member of Alcoholics Anonymous is but a small part of a great whole. A.A. must continue to live or most of us will surely die. Hence our common welfare comes first. But individual welfare follows close afterward."

– Tradition One (Long Form)

A.A. group members are invited to share on the workshop topic selected by the 2011 Conference, "Safety in A.A.: Our Common Welfare." The questions listed below are intended to help General Service Representatives facilitate a full and fruitful sharing session. Group ideas will be shared with our General Service Delegate at the Pre-Conference Assembly in Lake County April 14-15, 2012 (see announcement below).

1. How can we make our Home Group a welcoming and accessible place?
2. How can sponsorship aid in keeping our A.A. meetings safe?
3. In keeping with the Traditions, how would/does my group address matters that may arise, such as:
 - Conduct that disrupts the meeting
 - Illegal activity
 - Inappropriate behavior towards vulnerable new members (e.g. "13 Stepping")
 - Emergencies (injury/accident/fire/etc.)

Informing Non-A.A. Members

Public Information/Cooperation with the Professional Community (PI/CPC) is a subcommittee of General Service. Its purpose is to reach out to people who are not members of Alcoholics Anonymous but may want or need to know what A.A. is, and make information available to them. Sometimes we are the first contact someone has with A.A. and we are honored and humbled by that responsibility. We do not want anyone to continue suffering from the disease of alcoholism because they don't know about A.A. We want to pave the way for any alcoholic to walk into a meeting knowing that we are ready and able to welcome them and offer the same help we received when we were new.

The "CPC" of our long name, Cooperation with the Professional Community, is about reaching out to professionals who work with alcoholics or may have reason to refer their clients to A.A. Some members of the committee perform the valuable service of speaking and making presentations about A.A. to therapists, health professionals, social workers, clergy, and to any group that requests such a presentation.

We meet once a month on the second Wednesday in the Santa Rosa City Hall employees' lounge, next to the underground parking area at 7:30 p.m. Each month the meeting is preceded by a speaker training workshop that begins at 7:00 p.m. Any Alcoholics Anonymous member who is interested is welcome to attend.

One of the main functions of the committee is to prepare and provide speakers for non-A.A. groups, such as DUI classes, school classes, and more. The monthly workshops prepare new speakers for these public speaking assignments and are available to refresh the skills of current speakers also. Typically a newly trained speaker later observes a PI presentation at a DUI class. There he or she will be able to see in action what they learned at the workshop. PI/CPC speakers have a working knowledge of the Twelve Steps and no less than two years of sobriety. We need more young people, as we have many requests for young speakers.

There are many ways to be of service in PI/CPC. We deliver A.A. pamphlets and meeting schedules to many public places, such as libraries, clinics, and senior centers. We are currently in need of someone to deliver A.A. literature in Bodega. If you would like to help and be part of this positively fun committee, you may attend the monthly meeting, or call 538-2310 or email picpc@sonomacountyaa.org

Yours in service, Suzanne A.

AAWS Guidelines for Newsletters

"Newsletters or bulletins published by central offices may include not only office news and events, but similar information about the groups and committees served by these offices (such as meeting times, openings of new groups, or changes of group meeting locations or officers). Frequently, material from A.A. literature is reprinted and discussed, and articles on subjects of interest to A.A.s are also published. Experience indicates that, as in most A.A. service activities, it is prudent to make a committee (rather than one or two individuals) responsible for the format, planning and content of the bulletin."

(From "A.A. Guidelines, Central or Intergroup Offices," http://www.aa.org/en_pdfs/mg-02_centralorinter.pdf)

Called to Carry the Message — To One We Love

A longtime member of A.A. and presenter for BTG reports: "I have visited both the men's and women's jail to carry the message for years, but I wasn't quite ready to carry the message to someone whom I love. Entering the lobby of NCDF (North County Jail) I walked sheepishly up to the duty officer to sign in as a visitor and not as a presenter. Instead of putting on my black and white "D" clearance badge, I was given the yellow and black visitor one. Nervously, I tried to concentrate on an article I randomly picked up. It was from a recent copy of National Geographic and it talked about the now better understood development of the adolescent brain and how it doesn't yet have the ability to reason through spontaneous thoughts and often acts capriciously. This part of the brain doesn't fully develop until the mid- or late-twenties. As I nodded my head knowingly, a young female sheriff called out for the visitors by the inmates' name. I followed meekly and with trepidation.

Within a few minutes I was led into a tiny four-walled room with a solid bay window on one side. Next to the window hung a telephone. On the other side of the glass reaching for his phone was my son.

Within a few minutes I was led into a tiny four-walled room with a solid bay window on one side. Next to the window hung a telephone. On the other side of the glass reaching for his phone was my son.

Like this member of our Fellowship, we all are called to carry the message to the next suffering alcoholic — no matter whom. Sometimes it can entail making presentations to treatment centers and detention facilities, or making ourselves available for sponsorship, or welcoming newcomers at meetings, or, more importantly, witnessing through our gift of sober living even to our own children. This is the gift we carry in our quest to be "happy, joyous, and free."

Be part of the solution. Witness the miracle of sobriety in others as that miracle has been so graciously given to you.

Bridging the Gap brings presentations to Azure Acres, Campobello, Kaiser, Mountain Vista Farm, Orenda Center Detox, Sonoma County Jail, Turning Point and now Salvation Army Recovery Program at Lytton Springs in Healdsburg! This is vital Twelfth Step work where the "rubber meets the road." See your Intergroup Rep for a volunteer form or fill it out online: <http://www.sonomacountyaa.org/get-into-service/bridging-the-gap/>

- Chair Claudia N. took "the message" to PRAASA in Bellevue, Washington. The committee is exploring more ways to include Spanish District 18 in carrying the message to the Spanish-speaking community.

Mark your calendar: April 17 at 6 p.m. See you at the Bookstore!

H&I is the Frontline

“Change is the characteristic of all growth. From drinking to sobriety, from dishonesty to honesty, from conflict to serenity, from hate to love, from childish dependence to adult responsibility—all this and infinitely more represent change for the better.

“Such changes are accomplished by a belief in and a practice of sound principles. Here we must discard bad or ineffective principles in favor of good ones that work. Even good principles can sometimes be displaced by the discovery of still better ones. Only God is unchanging; only He has all the truth there is.”

— Bill W., Letter 1966

The room was teeming with new H&I reps. at the March meeting of the Hospitals and Institutions Committee. Among those were: Kirk F., representing How It Works; Abby, Big Book Review; Ben R., The Rooms (Sebastopol); Jason M., Sonoma Valley Fellowship; Carol B., Up The Steps; Joaquin, Attitude Adjustment; Thomas B., Traditions Group; Michael S., New Sobriety; Bill C., Saturday Afternoon Winners; Sy W., Simply AA; Brian A., Keep it Simple; Michael E., Sebastopol Fellowship; Bernadette T., Step Sisters; Becky C., Sober Sunday; Glenn, Steps In Windsor; and Kevin, Good Neighbors (Geyserville). Thank you all for being of service!

We also gave a warm welcome to our visitors: Lauralynn, Luke, Jason and Mike — keep coming back!

Sobriety count for the month of March: 27 years.

Blaise C. gave the five-minute chair during which he shared how his sponsor was the first to encourage him to get involved with H&I.

He didn't stick with it until, after a time, he felt that there was something missing in his sobriety and decided to take it up again, first going to the mental health lockdown facilities and then to jails. He related how great it is to see someone — who was once confined and attending the H&I meetings — show up to an “outside” meeting.

“My recovery deepened,” he said, due to his service in H&I. He also shared how, despite health and personal problems, if he was able to get himself suited up to make his commitment, he invariably felt better. “H&I is the frontline,” he remarked — that one meeting might be the only introduction to A.A. that some people get.

Looking to make some changes in your life? Come see how your experience can benefit others at the next meeting of the H&I Committee on Wednesday, April 4, 2012, at 6:15 p.m. As always, everyone is welcome to attend the orientation that begins at 5:45. The location is the Community of Christ Church, 1495 W. Steele Lane, on the corner at Range Avenue (parking is off of Range, behind the church, with additional parking at the ice arena). We look forward to seeing you there!

Bookstore Returns to Spring/Summer Hours

The Bookstore and Central Office hours of operation have returned to the Spring/Summer schedule, so we will be open from 10 a.m. to 6 p.m. Monday through Friday and 11 a.m. to 3 p.m. on Saturdays.

The Central Office often receives flyers for A.A. conferences and activities that take place outside of our area, so when you visit the office don't forget to look for these types of announcements. Conference and activity information is also available on the back page of “Box 459,” which is published quarterly by the General Service Office. If you do not have access to a copy of “Box 459” ask your General Service Representative at your meeting or look for the copy that is kept on hand at the Central Office in the General Service section. It is also available online at <http://www.aa.org>.

Speaking of General Service, the Bookstore now has a few copies of the publication titled “Advisory Actions of the General Service Conference of A.A. - 1951 to 2009.” This publication is priced at only \$3.25 and should interest members who like to read about A.A. History and the General Service Conference process.

The Bookstore is currently fully staffed, however we encourage people who are interested in volunteering at the Bookstore and Central Office to come by the office and fill out a volunteer application for future openings.

In Service, Linda M.

GENERAL SERVICE

Many Ways to Serve

Hello Fellowship. There are two meetings before the General Service District meeting held at Faith Lutheran Church on the first Monday of each month. Both begin at 6:45 p.m.. One is called Group Concerns and the other is the Service Manual/Concepts study held in the Sanctuary. Both these meetings will help you be the best GSR ever.

Please remember our subcommittees need support. Bridging the Gap needs a female presenter for Orenda as well as various liaisons. Access Sonoma County also needs support. PI/CPC has a packet of A.A. information to be given to those who work with seniors. Please see the chairs of these committees to get involved.

In humble service, Pete J.

TELESERVICE FLASH

Answering the Call

Our new Teleservice Committee Chair Joe B. reports that all shifts for the A.A. Hotline are filled and things are going well. This is often the first contact someone has with A.A. when they reach out for help — and you could be the one on the other end of the line.

We encourage anyone who is interested in this type of service to contact Joe, 591-9376, or email teleservice@sonomacountyaa.org and get on the waiting list.

UPCOMING EVENTS

32nd Annual Lake Pillsbury Campout

The 32nd annual Lake Pillsbury Campout is scheduled for May 18-20, 2012. There will be a Saturday Night potluck and Campfire A.A. Meeting (time to be arranged by campers). The event is open to A.A. members, families and friends. Campsites are \$16 per night, \$3 for a second vehicle. Boat launch is \$5, if you're camping that fee is good for the entire stay. For more information, contact Preston, 707-291-9118 (Sonoma County) or Jessie, 707-468-1664 (Mendocino County). Campsite #25 will be set up for meetings, potluck and coffee.

Annual Meeting on the River

Well it's almost time for the annual Meeting on the River. This year's trip will be on June 23 and 24. Watch the newsletter or check your local meeting for the Cache Creek brochures. You may also log onto cachecreekgroup.org to register, find information, and get a feeling for what the trip is about. The price has stayed the same: \$145 per person includes two days of rafting with meals, campsite, and fellowship. Quite the bargain when you consider what we used to spend on alcohol! Also, don't forget the Meeting under the Stars on Saturday night.

Happy Trails at Point Reyes

Happy Trails is a once a month outdoor meeting held in the beauty and splendor of nature. Sunday, April 29 will take us to Point Reyes and the Tomales Point Trail. Call John S. at 494-9049 for details. We meet at the Sears parking lot at 1st and B St. in Santa Rosa, 10 a.m.

"A.A.'s often say, 'Our leaders do not drive by mandate; they lead by example.' If we would favorably affect others, we ourselves need to practice what we preach—and forget the 'preaching' too. The quiet good example speaks for itself."
