WANTED! SCIF NEWSLETTER EDITOR

So, you've been wanting a service commitment and you're tired of making coffee and pushing the Grapevine. How about a position that serves the entire Sonoma County Fellowship that you can do (mostly) from the comfort of your own home? SCIF needs a Newsletter Editor to put together the monthly newsletter and get it to the printer on time.

If you're reading this, you're obviously familiar with the SCIF News. The Editor collects news, reports, meeting changes, and other pertinent information for this newsletter. This position requires familiarity with and access to a computer with page layout software and a printer. It also requires familiarity with Excel and Word programs, and very good communication, grammar and punctuation skills. The Editor maintains a mailing list of current subscribers, and prints mailing labels for each issue, also sending email subscribers a version in Acrobat format (pdf).

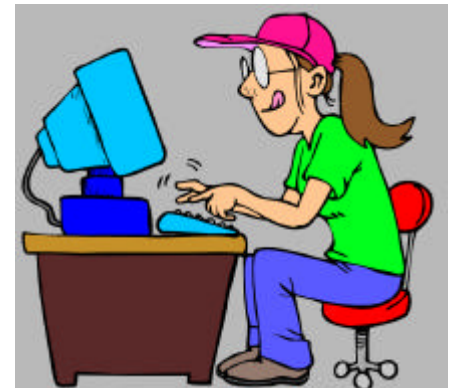

The Newsletter Editor attends three service meetings per month - SCIF Steering Committee (2nd Monday), SCIF Communications Committee (3rd Thursday), and SCIF General Business (4th Monday) - and reports on newsletter issues. The average monthly time commitment is 16+ hours.

Two years sobriety is the requirement, and previous experience as a trusted servant is recommended.

If you're interested in this position, please attend the SCIF Communications Committee meeting on Thursday evening, August 21, at 6:30 pm, or call Diane W. at 526-1466.

H & I

If you need a shot of enthusiasm for the joy of sobriety and service in AA, come to the Hospitals & Institutions Committee meeting on the first Wednesday of the month (August 6) at 6:00 pm at the Santa Rosa Senior Center (see Calendar).

This is one joyous meeting, and it's worth a look!

(We did not receive an article from our H&I correspondent this month, but we want to salute this service.)

OUR PRIMARY PURPOSE

At a group steering committee meeting recently, a member recalled being told that "General Service is for the politicians; Intergroup is for the social butterflies, and H&I is for people who like to talk about themselves." I thought the statement had the merit of being equally unfair to all. But it also reminded me that some folks think the primary purpose of Intergroup is to sponsor dances and picnics.

Our by-laws say that Intergroup's "primary purpose is to meet the needs of the A.A. groups and to provide services as required." Not to carry the message or to stay sober and help other alcoholics to achieve sobriety. The purpose of the individual A.A. member and his home group.

What are those "services as required?"

- A 24-hour Hotline service, at a cost of about \$10,000 a year
- Pamphlets, meeting schedules, and other materials "free" to groups, at a cost of about \$9,000
- A website and "free" newsletters, at a cost of about \$8,000
- The Central Office/Bookstore, open 44 hours each week. The Bookstore portion of this service is designed to be self-supporting, but the Central Office function provides information and assistance to members and to our service committees, at a cost of about \$26,000 last year
- Three Alkathons each winter, and several seminars yearly, all striving to be self-supporting
- And, yes – social events like dances and picnics, also intended to be self-supporting

A word about those "self-supporting" services: last year, the social events, seminars, and alkathons together netted \$128 more than they cost; the bookstore came in with \$3,200 over its expenses. See this month's financial report (page 7) for how we are doing for the first six months of 2008. All other services listed above are funded by the generous contributions of groups.

I like to think that Intergroup functions as a clearinghouse of information about the life of Alcoholics Anonymous in Sonoma County and provides services to support that life. In our newsletter and at our General Meeting, we share what's new, what's needed, and what's interesting in local A.A. We ask the groups – through your Intergroup Representatives – what our priorities should be. Your Intergroup officers, committee chairs, and countless volunteers clearly understand that we are serving a diverse community of A.A. members – some never use the bookstore; some never go to dances, some never phone the office or the hotline. So we rely on the group conscience of this community, expressed by Intergroup Reps, to determine how best to serve each segment of this population. That's how we determine our "primary purpose."

I recently spoke to a newly-elected rep who was surprised and delighted to learn that her role included asking her group for its opinion on Intergroup initiatives, not just to pick up flyers and newsletters and report on the General Meeting.

So if your Intergroup Rep is reporting only about parties, campouts, dances (all of them important, but not the whole story), perhaps you might ask some questions. We're not just the social butterflies – we're worker bees.

— Diane W.

ACTIVITIES COMMITTEE

Greetings, Fellowship!

Having just survived another Cache Creek Rafting Trip with no (yes, that's a first a while) out-of-boat experiences, I have had time to reflect. I wonder what my Fourth of July would have been like had I not found AA over eighteen years ago. Or better yet, what would have the Fourth 2008 have been like had the 350+ people and their families who attended our Annual Family Picnic experienced on July 5, 2008, had we not all have been sober that day. I cringe at the thought.

This year's day in the park was a huge success, thanks to you — the fellowship — and a wonderful team of volunteers who make it all look easy. I can't say enough about what I've learned in terms of turning it over and trusting the outcome. I always wake up at about 3 AM the day before the event and the wheels start turning. I have friends today that show up when they say they are going to and come through with trucks, talent, and commitment. It is clear that we all believe in showing the newcomer a good time and in providing a safe environment for all to enjoy themselves. I hope everyone had as much fun as I did.

Thank you to SOCYPAA for coming through again! The girls did a great job of face painting, and you guys were amazing with the children and the games. As always, my friends who cooked did an outstanding job in the hot heat of the grill; and to all those who shopped, helped with drinks and food, decorated, hauled gear, set up, tore down and in general showed everyone the value of service — a big KUDOS! You all know who you are and so do I. The event was self-supporting and that's a good thing!

Our next event is not scheduled till Halloween and that gives us the late Summer and early Fall to get out and enjoy all that is Sonoma County. There is a lot going on in the Fellowship outside of the Activities Committee, and I hope you will support all of these events. My commitment is over February 2009, and it is not too soon to start thinking about someone, or ones, to rotate in. It will have been two years and many more years before that of decorating and supporting this committee, and it is time to step away. If you have an interest in doing this type of service, please feel free to call me with questions.

In love and service,
Laurie E. (707) 287-2481

SOCYPAA

For you that are new to the area or to AA, SOCYPAA is a loose acronym for Sonoma County Young People in Alcoholics Anonymous. Don't even try to figure out what that O stands for in the name; we had to throw it in there just for kicks and giggles because another group already had the name SCYPAA.

You might be thinking: so what age do I have to be to join such a truly fascinating and upstanding group such as yours? Well, you just have to be young, or young at heart. (They haven't kicked me out yet, and I'm 38, but I did get sober at 18, so that gives me some extra street cred...J/K!!)

We do all kinds of fun events, and have started several meetings throughout the county aimed at the young and young at heart.

Believe it or not, there are actually YPAA's (for those of you who are not at all too quick, it stands for Young People in AA) worldwide. Since alcoholism has no age limits in whom it affects, and it was found that there were a lot of people getting sober at young ages, it was decided that they should group up and show young people that you can still have the fun of your youth, mixed with good old-fashioned sobriety.

See the announcement here about our annual campout, and we're planning our annual Great America trip. In October we will be hosting the ACYPAA (All California YPAA) Summit. Every year there is a huge convention called ACYPAA that moves around the state. This year will be SOCYPAA's third time bidding to bring it here to Sonoma County. But the summit is where people from all over the state come to learn about how to bid for ACYPAA, and how to start your own YPAA in areas that don't already have them. It's a huge honor to be able to host such a service event as this. So, if you want to get involved with SOCYPAA, we have our business meetings every first and third Sundays of the month at 1551 Montgomery Drive in Santa Rosa, at 7:15 PM, right after the Sunday Young and Sober meeting. Come check it out, and get involved. I guarantee you'll have fun. If you don't have fun, then

I'll happily refund all the misery that you came with.
Take care,

Craig G. (Batman)

OFFICER REPORTS:

CHAIR: Diane W. - There is no smoking allowed on Church property. If you want to smoke, you must go out to the sidewalk. The SCIF Steering Committee reviewed the by-laws changes and it's on tonight's agenda under New Business. The quarterly bookstore inventory will be Monday June 30 at 6pm, volunteers needed.

VICE CHAIR: Bob P. - Bob had five new Reps at the orientation tonight. He invites Reps with questions to call him at his phone number in the newsletter.

TREASURER: Pat H. - Overall expenses exceeded income by \$1,047 for the month of May. Group-supported expenses exceeded income by \$1,356 for the month of May and \$926 year-to-date. Group contributions have been lower this year than in past years. It might be the economy. ICSC is not concerned as we still have >\$15,000 in operating reserve (in excess of prudent reserve) She is looking ahead to plan and budget for rest of the year. Pat apologized for the financial statements printed in the newsletter – there were some errors: Titles should read May (not April); Group contributions ran into birthdays and there are no group names on last few in column; and the central office expenses for May 2007 were \$2,107 (not \$2,165)

SECRETARY: Donna L. - The June SCIF General Meeting minutes published in the July newsletter were approved without changes.

REGISTRAR: Nan B. - Last month there were 363 meetings/week in Sonoma County. Of those, 143 (39%) were represented at Intergroup. Nan put in a plug for current reps to pitch Intergroup representation at meetings that don't have a Rep, and asked Reps to send a substitute Rep to the General Meeting if they can't attend.

BOOKSTORE: Linda M. - Bookstore will be closed Friday, July 4. She needs volunteers with at least 1 year sobriety on alternate Wednesdays from 10am-2pm, and on alternate Saturdays 11am-3pm (to assist woman volunteer in wheelchair with various tasks). There is a 6 month commitment. Interested? Call Linda at 546-2066.

COMMITTEE REPORTS:

ICSC: Rich S. - ICSC reviewed the financial report presented by the Treasurer. Linda gave the bookstore report (see above). Gene H. has been working with property management re: a 3 year lease with a 5 year option. Gene and Rich ask contractors to give them estimates for renovation. Diane will write a motion on renovations for SCIF steering committee.

ACTIVITIES: Laurie E. - The annual Family Picnic will be July 5th at Youth Community Park on Fulton Road across from Piner High. Bring a potluck dish to share, hot dogs, hamburgers and soda available for purchase. Volunteers are needed.

ALKATHONS: Barbara F. - Barbara stated that she needs help with the alcathons; her phone number is 318-5376.

NEWSLETTER: Roger D. - Roger apologized for the errors in the July newsletter. There is a new newsletter submission deadline – the Friday after SCIF Steering Committee meeting.

OUTREACH: Sean M. - Sean has been getting reports from the Registrar re: unrepresented groups that used to have Reps. He asked for volunteers to assist him in getting to these meetings to encourage them to have representation at the Intergroup General meeting.

SEMINARS: Doug S. - The next seminar will be held on Wednesday, July 30 from 6:30-8pm at the bookstore, and the topic is "The Family in Recovery".

TELESERVICE: Dave R. - (Dave absent – Bob K gave report) Teleservice works to ensure there is a live alcoholic available on the AA hotline 24/7. There are currently two open shifts: Sunday overnight (10p-9a) and alternating Saturdays overnight (10p-8a). Their business meeting is on the 2nd Monday at 6pm in the bookstore.

LIAISON REPORTS (see Calendar, Page 6, or Liaison Committee reports for committee meeting information);

BRIDGING THE GAP: John B. - BTG introduces newly-released residents of treatment facilities to AA in their community. Members volunteer to take people to their first meeting. Volunteers should have 6+ months of sobriety and a working knowledge of the 12 steps. Transportation is also helpful. Contact volunteers are needed as are volunteers at the committee level. In June, BTG had 40 contacts: 20 local, 14 out of the District, and 6 out of the Area.

HOSPITALS AND INSTITUTIONS: Mark V. - You don't need to be an H&I rep to come and get involved.

SCIF General Meeting *(Continued from page 4)*

PI/CPC: Nick R. - Public Information/ Cooperation with the Professional Community distributes literature to emergency rooms, hospital waiting rooms, libraries, senior centers and other public locations. They also provide speakers to present what AA is. They are looking for more volunteers – especially a media liaison, hospitality and senior outreach.

SOCYPAA: Tashia F. - SOCYPAA filled all 36 positions in their recent elections. They are planning a campout for the end of August in Bodega Bay – flyers coming soon. They are hosting the ACYPAA summit meeting, with Q&A sessions re: annual conference bidding, on October 10-11 at the Carpenters Union Hall. The first meeting will kick off at 7:30am. There is a new flyer that lists all the SOCYPAA meetings.

ACCESS SONOMA COUNTY: Jamie T.- The “Voices from Home” program offers brochures and the Big Book in many foreign languages including: Chinese, Farsi, Hungarian, Italian, French, Arabic, Portuguese, Tagalog, and Thai. They have just released an information sheet on Group Policies about Children at Meetings.

GENERAL SERVICE: Lauralyn C. - The Treasurer has made a motion to raise their prudent reserve from \$1500 to \$3500.

SPANISH INTERGROUP: Shaline E. - No Report

ELECTION: No one made themselves available to serve on the nominating committee for ICSC. Gene H was re-elected for another term.

PRESENTATION OF NEW BUSINESS:

Diane made Reps aware of the revised bylaws handout and the explanation article handout. She asked Reps to discuss these with their groups and come back next month for discussion about the revisions. Gary S. stated that he'd like to see the words “any” and “all” eliminated from the bylaws.

GROUP REPRESENTATIVES SHARING:

The Women's Meeting at 8pm on Mondays at Orenda needs support, especially from those with long term sobriety.

Mark V. said the Cache Creek trip was great, and that 50 sober alcoholics from Orange County joined them for a 200-person meeting on the river. They will try to combine their trip with these folks next year, and book the whole campground.

How It Works – Sunday 7:30pm on Newanga, has been meeting outside under the oak trees, next to the playground. Come and join them.

SUMMATION: Bob P. reviewed pertinent items for reps to take back to their groups.

The meeting was closed with the Lord's Prayer.

Gratefully in Service, Donna L.

PUBLIC INFORMATION / COOPERATION WITH THE PROFESSIONAL COMMUNITY

Can you help us?

Your PI/CPC Committee performs in a number of arenas and **needs help** in several.

We may best be known for speaking about AA at DUI classes, schools, and other forums where we are invited. **We need young people** who are available during the daytime to speak.

We distribute literature to libraries, police stations, and mental health offices throughout the county.

We currently need help in North County, East County, and Santa Rosa.

We are reaching out to the senior community and **need people** to help put together packets of information for people working with seniors (similar to the packets for the health professionals and the clergy). **We need people** to identify and distribute the packets to senior communities throughout the county.

We are gearing up for the new school year and **need someone** to contact the school structure to make them aware of our speaker program and to coordinate speakers at the schools.

We need someone comfortable with the media who would, among other things, distribute the

Public Service Announcements (PSAs) produced by General Service Office in New York to the local radio and TV stations.

If you are interested in helping in any of these areas, come to the business meeting at 7:30 pm on the second Wednesday of the month at the Santa Rosa City Hall Employees' Lounge under City Hall. Speaker training is at 7:00 pm.

Margie A. (539-5010)

GENERAL SERVICE SUMMER ASSEMBLY

The upcoming 2008 Summer Assembly for General Service is known as the “fun” assembly.

Fun because of the workshops, the service, the energy, and joy of the fellowship. The assembly will be held on August 9th in Daly City. Please look for a flyer for this assembly at your home group or ask a GSR (General Service Representative) for more about how you can get involved, and please check out the General Service Area website at www.CNCA06.org.

There is now a Handicap/Wheelchair-accessible bathroom available at our District meeting, held on the first Monday of the month at 7:30 p.m.. All are welcome to attend.

At this time, GSR's are giving their reports from the last business meeting. One of the things you'll likely hear from your GSR is a motion to raise District 12's prudent reserve to \$3,500.

District 12 is preparing to bid on an assembly for 2010. Check with your GSR or come to the District 12 business meeting to find out more!

Come check out how you can be of service and how General Service works.

In service, Dale E.
