AAWS GUIDELINES FOR NEWSLETTERS:

"Newsletters or bulletins published by central offices may include not only office news and events, but similar information about the groups and committees served by these offices (such as meeting times, openings of new groups, or changes of group meeting locations or officers). Frequently, material from A.A. literature is reprinted and discussed, and articles on subjects of interest to A.A.s are also published. Experience indicates that, as in most A.A. service activities, it is prudent to make a committee (rather than one or two individuals) responsible for the format, planning and content of the bulletin."

Sonoma County Young People in Alcoholics Anonymous

Elections for SOCYPAA were held and all positions filled!

SOCYPAA Campout will be held June 14-16 at Lake Berryessa's Pleasure Cove Campground. Pre-register at www.socypaa.org.

If you're looking to be of service, come to our business meetings the 1st and 3rd Sunday of the month at 1551 Montgomery Dr, Santa Rosa, Ca 95405 at 7:15pm right after Young and Sober.

PI/CPC

IS PI/CPC FOR YOU?

If you've ever considered doing service with PI/CPC, this is a great time to check it out. There are a lot of new faces on the committee, and new faces bring fresh ideas and a renewed energy.

PI/CPC is a branch of AA General Service. The initials stand for Public Information and Cooperation with the Professional Community. The committee provides informational speakers to outside groups who seek to learn more about AA, including classes of the Sonoma County Drinking Driver Program health and social studies classes at local high schools, and groups in the legal, medical, educational, theological and law enforcement professions. Our responsibilities also include the distribution of AA literature to anyone who requests it.

Speakers undergo a short training session at one of our monthly committee meetings, and then observe a presentation before going on to speak themselves. Most speakers enjoy the experience, and find this branch of AA service to be quite rewarding.

If you are interested in learning more about PI/CPC you are welcome to attend one of our business meetings. Meetings are held at 7:30 PM on the second Wednesday of each month at the Santa Rosa City Hall employees lounge in the underground parking garage.

If you are interested in speaker training, please come at 7:00 PM. We look forward to seeing you.

SPIRITUAL EXPERIENCES

By Bill W.

(Excerpt from the A.A. Grapevine - July 1962)

It is the intention of the Grapevine to carry occasional accounts of spiritual experiences. To this interesting project I would like to say a few introductory words. There is a very natural tendency to set apart those experiences or awakenings which happen to be sudden, spectacular or vision-producing. Therefore any recital of such cases always produces mixed reactions. Some will say, "I wish I could have an experience like that!" Others, feeling that this whole business is too far out on the mystic limb for them, or maybe hallucinatory after all, will say, "I just can't buy this business. I can't understand what these people are talking about."

As most AAs have heard, I was the recipient in 1934 of a tremendous mystic experience or "illumination." It was accompanied by a sense of intense white light, by a sudden gift of faith in the goodness of God, and by a profound conviction of His presence. At first it was very natural for me to feel that this experience staked me out for somebody very special.

But as I now look back upon this tremendous event, I can only feel very specially grateful. It now seems clear that the only special feature of my experience was its electric suddenness and the overwhelming and immediate conviction that it carried to me.

In all other respects, however, I am sure that my own experience was not in the least different than that received by every AA member who has strenuously practiced our recovery program.

How often do we sit in AA meetings and hear the speaker declare, "But I haven't yet got the spiritual angle." Prior to this statement, he had described a miracle of transformation which had occurred in him—not only his release from alcohol, but a complete change in his whole

attitude toward life and the living of it. It is apparent to nearly everyone else present that he has received a great gift; and that this gift was all out of proportion to anything that might be expected from simple AA activity, such as the admission of alcoholism and the practice of Step Twelve. So we in the audience smile and say to ourselves, "Well, that guy is just reeking with the spiritual angle—except that he doesn't seem to know it yet!" We well know that this questioning individual will tell us six months or a year hence that he has found faith in God.

Moreover he may by then be displaying "spiritual qualities" and a performance that I myself have never been able to duplicate—my sudden spiritual experience notwithstanding.

So nowadays when AAs come to me, hoping to find out how one comes by those sudden experiences, I simply tell them in all probability that they have had one just as good—and that theirs is identical excepting it has been strung out over a longer period of time.

Then I go on to say that if their transformation in AA extending over six months had been condensed into six minutes—well, they then might have seen the stars too!

In consequence of these observations I fail to see any great difference between the sudden experiences and the more gradual ones—they are certainly all of the same piece. And there is one sure test of them all: "By their fruits, ye shall know them."

This is why I think we should question no one's transformation—whether it be sudden or gradual. Nor should we demand anyone's special type for ourselves, because our own experience suggests that we are apt to receive whatever may be the most useful for our needs.

GREETINGS FROM GENERAL SERVICE!

On April 13th and 14th over 500 members of Alcoholics Anonymous gathered at the Santa Rosa Veteran's Hall for the General Service Pre-Conference Assembly. Members came from Monterey to the Oregon border to give their group consciences to our delegate, Teddy B.

Many of the members were General Service Representatives who shared their group conscience on various agenda topics. It was a time to participate, a time to listen, and for many a time to grow spiritually.

This month our delegate Teddy B. travels to New York to attend the 69th General Service Conference. He will share our fellowship's voice, and decisions and recommendations will be made. He will return to Sonoma County on July 1, 2019, to attend the Delegates BBQ which is hosted by General Service District 12. You are all invited to attend the BBQ and hear his presentation on his experiences at the Conference. You will hear the outcome of the decisions and recommendations made for the Agenda Topics as well as participate in a question and answer period, and have your chance to visit with Teddy B.!

There is always activity in General Service! I attended my first Assembly back in the Fall of 2012 and have been active in General Service ever since. The opportunities to serve are boundless, and the personal growth that I have received from participation has enriched my recovery. The many friendships that I have made spread across the country. And the only requirements asked of me were the time to do the commitment and the willingness to learn!

In love and service,
Denise G.
District 12 Treasurer

TELESERVICE SATISFIES!

The "A.A. Hotline" furnishes a vital service for Alcoholics Anonymous and is staffed by volunteers serving on the Sonoma County Intergroup Fellowship Teleservice Committee. These trusted servants provide a personal point of contact, around the clock, seven days a week, and are often the caller's first connection with Alcoholics Anonymous. We provide information to callers about meeting schedules and changes, answer questions about A.A. We also provide contact information for detox and residential facilities, alcoholism services in other areas, and information to family members and friends of alcoholics, including contact information for Alanon and Alateen.

What's it like to cover a four or five-hour shift? Let me give you my personal experience. Very often, I get no calls at all. Frequently, I get 2 or 3 callers seeking simple information such as meeting times and locations. Less often, I get a caller in need of hand-holding and counseling about alcoholism, and it gives a real feeling of satisfaction to be able to take ten minutes to talk and really help out. The other day I got a call from a woman whose husband went to work that day and had asked her to find out how one joins A.A. and if there was any help in Spanish. I was able to give her times and locations of Spanish speaking meetings in her neighborhood. I was also able to tell her about a program available to help her called Alanon, which she had never heard of. I really got the feeling that she would go to Alanon even if her husband didn't make it to A.A.

Perhaps most importantly, we refer callers in need of help to 12th-Step Volunteers ("12th-Steppers") to follow up with personal assistance. Hotline volunteers answering the phones take the caller's contact information and forward it to a 12th-Stepper for follow up. We refer men to men and women to women.

Right now, Teleservice is recruiting 12th-Steppers who will be willing to accept referrals for personal 12th-Step work with suffering alcoholics. Volunteers must have one year of continuous sobriety, familiarity with the Steps and Traditions, and have desire to help other alcoholics one-on-one.

Teleservice is also recruiting volunteers to cover shifts on the 24-hour AA hotline. The hotline answering service forwards calls to the volunteers personal landline or mobile phone line. Shifts are 4 or 5 hours long or overnight. We especially need folks who could cover daytime shifts during the week, e.g. Wednesday or Thursday. Volunteers must have one year of continuous sobriety, working knowledge of the Steps and Traditions, and have completed an orientation/training session.

Our next orientation/training meeting will be held on Tuesday, June 11, 2019 at the AA Central Office 750 Mendocino Ave., Suite 10, Santa Rosa. All hotline volunteers are encouraged to attend and share their experience, strength and hope with new volunteers.

You can see our open and available shifts at this link: <http://bit.ly/TSOpenShifts>

For further information or to volunteer, contact Mike H. at 415/310-9154 or Teleservice@sonomacountyaa.org.

HOSPITALS & INSTITUTIONS REPORT

"I can see why you are disturbed to hear some A.A. speakers say, "A.A. is a selfish program." The word "selfish" ordinarily implies that one is acquisitive, demanding, and thoughtless of the welfare of others. Of course, the A.A. way of life does not at all imply such undesirable traits.

"If we cannot or will not achieve sobriety, then we become truly lost, right in the here and now. We are of no value to anyone, including ourselves, until we find salvation from alcohol. Therefore, our own recovery and spiritual growth have to come first—a right and necessary kind of self-concern." [Bill W. Letter, 1966]

On May 1, 2019, the Hospitals & Institutions Committee welcomed new meeting reps Kelly B., representing Newcomers & Old Timers; Laura R., Sober Sisters (Sebastopol); Mary J., Women's Meeting (Petaluma); Judy M., Just For Today, 11 am, Rohnert Park; Susan M., River Grace (Guerneville); Kimberly B., Tuesday Night (Petaluma); Connie P., Drop The Rock (Cotati); David A., Think About It (Sebastopol); Amber H., Any Lengths Group (Forestville); and Dwight S., The Young & Sober Group. Thank you all for being of service!

Welcome also to our visitors, Cathryn and Greg—keep coming back!

Over 130 years of sobriety were being celebrated by members of H&I for May!

Are you willing to share your gift of sobriety with an alcoholic who is confined? For suggestions on how to do just that, please come to the next meeting of the H&I Committee, Wednesday, June 5, 2016, at 6:15 pm. As always, everyone is welcome to attend the orientation that begins at 5:45. The location is the Community of Christ Church, 1495 W. Steele Lane, on the corner at Range Avenue (parking is on Range, behind the church, with additional parking at the ice arena).

In service, Mardi

BRIDGING THE GAP

One of the most slippery places on the journey to sobriety is between the door of the treatment facility and the nearest A.A. group or meeting. Many of us can tell you that, even though we had heard of AA, we were too anxious or afraid to walk through the meeting room doors by ourselves. Bridging the Gap is a General Service committee that provides AA members an opportunity to be of service by introducing alcoholics to AA meetings in their town. By providing a temporary contact, you can help a Newcomer find a home in a local meeting.

In addition to volunteers connecting alcoholics to their first meeting, Bridging the Gap is looking for people to tell those in treatment centers about AA and invite them to take advantage of the Bridging the Gap program. This has given me the chance to carry the message to folks in the Orenda Center, where I detoxed (twice). To learn more about these and other opportunities to be of service all are welcome to attend the monthly Bridging The Gap meeting on the 3rd Wednesday each month, 6:30pm at the Bookstore.

Yours in Service, Woody W.
