## GENERAL SERVICE

As I write this article today, fires continue to burn across Sonoma County. I pray that the fires will be put out, and we will be able to begin the process of recovery by the time the Intergroup Newsletter is published and you find yourself reading this.

The scope of the tragedy that has befallen our community defies description. I personally know at least six people who have lost their homes and most of their possessions, and no one within my circle of experience has not been either directly affected, or knows someone who has been directly affected.

There are days and weeks and months of adversity ahead of us.

The week after the fires began found me working on helping my family, friends, neighbors and customers recover from devastating losses, and I find myself reflecting on how my personal recovery, through the program of Alcoholics Anonymous, allows me to be of service to my fellow human being, alcoholic or not. Without this program, I would have had no ability to look beyond myself. Chapter Seven of the Big Book reminds me, "Assuming we are spiritually fit, we can do all sorts of things alcoholics are not supposed to do."

While trying to be mindful of Tradition Five, which states, "Each group has but one primary purpose – to carry its message to the alcoholic who still suffers," and at the risk of taking quotes, which primarily concern themselves with the program of recovery from alcoholism, out of context, I'm finding solace and inspiration in our literature.

From Chapter 7 of the Big Book – "Working with Others" we read, "Helping others is the foundation stone of your recovery," and "Follow the dictates of a Higher Power and you will presently live in a new and wonderful world, no matter what your present circumstances!"

In page 77 of the Big Book from the chapter "Into Action" we read "Our real purpose is to fit ourselves to be of maximum service to God and the people about us."

In Step Three of the Twelve Steps and Twelve Traditions we are told: "The more we become willing to depend upon a Higher Power, the more independent we actually are. Therefore dependence, as A.A. practices it, is really a means of gaining true independence of the spirit."

The Seventh Step Prayer from page 76 of the Big Book reads:

"My Creator, I am now willing that you should have all of me, good and bad. I pray that you now remove from me every single defect of character which stands in the way of my usefulness to you and my fellows. Grant me strength, as I go out from here, to do your bidding. Amen."

Please let Sonoma County General Service know if your group needs assistance with restocking literature, as we have resources locally and from the New York General Service Office to help with this.

I pray that each and every one of you, my brothers and sisters, can soon find yourselves in a better place.

## ACCESS SONOMA COUNTY

We postponed the "Aging in Sobriety" workshop due to the venue being used for fire victims. We hope to reschedule the workshop to February or March 2018. Once things settle down, we'll know more. Some members of the Access Sonoma County committee have been displaced but, as I write this, everyone is still safe and healthy. Please keep us in your thoughts and prayers, and know that you are in ours.

As I struggled this week to think of an "Access" theme for this newsletter article, my mind turned to how, whenever I have reached out to a fellow alcoholic and said "I need help," you have been there for me. I know that we will all be there for each other right now, and I am filled with gratitude that I have found my home in our amazing A.A. community.

-Alan W.

## BRIDGING THE GAP

I was first introduced to Bridging the Gap (BTG) while I was in a treatment center last year. A lovely woman from BTG came to our facility dutifully every month right smack in the middle of her Sunday afternoon (I often wondered why she would give up her Sunday afternoons to come talk to us!). This woman shared with us her experience, strength and hope, and told us about the BTG Program. She said it connects people in residential treatment (like us), hospitals, or jails with an A.A. contact of the same gender to take them to their first A.A. meeting out of treatment. She handed us all little blue cards to fill out our contact information if we were interested in using the service. I remember always looking forward to that lady coming back every month because she always seemed so happy.

Fast forward, almost a year later, and I hear about a service commitment opening for BTG. So, I attended the next business meeting and was elected the Female Phone List Coordinator. So, now I get to connect the women coming out of treatment with the A.A. volunteers who will take them to their first meeting! It has been so incredibly rewarding and heartwarming to see the passion our A.A. volunteers have for helping the newcomer. And the women coming out of treatment are so grateful! This commitment really is a blessing.

Also, guess who I get to see every month at the BTG business meeting? It's that same sweet lady that came in and presented at my treatment facility, still happy and smiling, bringing the message of hope to newcomers on her Sunday afternoons. It's nice when things come full circle.

We are always looking for volunteers. Come to our business meeting on the 3rd Tuesday of the month at the bookstore at 6 pm to see how you can be of service!

-Shannon C.

**TELESERVICE UPDATE**

---

Teleservice staffs the A.A. hotline, providing 24-hour phone access to a live recovering alcoholic. This is vital Twelfth Step service - providing the hand of A.A. to the alcoholic reaching out for help. Calls are forwarded to your home or mobile phone, and training is provided. There are occasionally open shifts to fill. For information, see Teleservice listing above.
