GENERAL SERVICE

Coming this August, New business motion- "That District 12 grants to BTG, ASC, PI/CPC and I & T subcommittee chairs voting privileges at District meetings and electing eligibility for District positions." All GSR's are encouraged to participate by getting your group consciences in before the votes are cast.

In humble service, Pete J.

TELESERVICE

I Am Responsible. When Anyone anywhere, reaches out for help, I want the hand of AA to always be there. And for that; I am responsible.

I believed that when I became a member of Alcoholics Anonymous on July 5, 1985 and I believe that now. That is why I serve on the AA Hotline!

There is something about being there for another human being in need that goes to the fiber of what AA is and our very own spirit. There was, for me, no greater service than the woman on the hotline who told me where the meeting was, my first meeting, and asked me if I could get there on my own!

So what is important about the hotline? It is a place where I talk with another Alcoholic, one on one. I receive calls from people who "need" a meeting or people who are coming from Hawaii and want to know where AA is in Santa Rosa. Sometimes the person I am speaking to went out after twenty years and wants to find their way back...

Many times, people call, who come in like us. He or she is going to leave; I've just lost my job; I had a "drunk driving" and I want to get help. . We all know that drama because we've caused it and lived it.

I really didn't know what to think, the first time I volunteered for Tele-service.. There is a richness to doing this work! The kind of connection and belonging that happens between a Sponsor and Sponsee. Just one alcoholic holding another alcoholic's hand while trudging the road of happy destiny. Sam F.

continued from page 3

voted for simple majority, 47 for 2/3 majority. 2/3 majority approved. Sean then called the motion to vote. 24 for the motion, 53 opposed, 6 abstained. Sean asked for minority opinion.

Sean noted as it stands is anyone in majority moved to change vote? None. Motion does not pass. It was noted that wording of motion was in negative so confusing. Sean asked if any groups were confused. None. Sean explained wording came to and out of Steering Committee as written. Felt this has been good informed group conscience.

PICPC NEWS

PICPC is the acronym for Public Information and Cooperation with the Professional Community. Two committees combined into one, which are part of the General Service structure here in District 12.

We are the committee that provides trained speakers to make presentations to the public and to professionals about what AA is and isn't, what AA does and doesn't do. We provide this information to the public at DDP (Drunk Driving program) classes, students at schools, Health fairs and the like. We provide this information to Professionals such as Child Protective Services staff, service providers to the homeless or at risk adults, Judges, Lawyers, Dr's to name a few. Why do we "train" our speakers? Because speaking to the general public and to professionals is not like telling your story at an AA meeting. At an AA meeting there are people who may know they are alcoholic or have a desire to stop drinking. The likelihood is that they are interested and having an emotional response to what you have to say. At a PI/CPC presentation, it is much more likely that you are not speaking to alcoholics or they are not responding emotionally to your presentation.

It is important to conduct ourselves in a more businesslike and professional manner for this special type of service. We are giving a professional and concise overview of the AA program in the hopes that those listening will see how it can benefit the clientele they serve or maybe themselves. How that comes across is how they will perceive the potential lifesaving success of the program of Alcoholics Anonymous.

It is truly spiritually rewarding to carry the message in this different way. We welcome you to check us out and see if you feel it too!

Diana W

A DEDICATED TRUSTED SERVANT

Our Sonoma County Intergroup Fellowship, indeed all of Alcoholics Anonymous, has lost a dedicated trusted servant. Diane W. passed away on August 10, 2011.

Diane found sobriety in San Mateo County on September 1, 1985. She had a long history in General Service and served as the California Northern Coastal Area Delegate to the General Service Conference in 1993 on Panel 43. She was Conference Delegate Chair in 1994.

More recently, Diane served as Chair of Sonoma County Intergroup Fellowship in 2007 and 2008. It was an eventful two years. Diane was instrumental in organizing the remodel of the bookstore, installing the computerized POS system and reducing inventories to appropriate levels. She also established systems to document policies and procedures for future reference. Diane was also a founding member of the Access Sonoma County Committee. AA accessibility for all was a passion of hers and she served on the Access Sonoma County Committee until her death.

Since AA's 12 Traditions were so ingrained in her, Diane had an innate ability to look at any problem and see what we weren't seeing. In a detached but loving way she could come up with solutions and processes which were immeasurably helpful to each situation. Because of her attention to the Traditions and the Concepts, she served on dozens of AA committees: Steering, Ad Hoc and Guidelines. She always said to "Trust the Process". She was a Sponsor and Service Sponsor, always encouraging us to believe in ourselves. She was passionate about AA service and cherished AA's principles. She brought her Experience, Strength, Hope and Wisdom everywhere she went. Diane dedicated her AA life to making the message available to all who want it. And for that we are all grateful.

A Memorial will be held to celebrate Diane's life. Time and place will be announced.

With love,

Pat H.

Laura T. (Santa Clara)

“In college, my friends and I would go to Mad Mex and be there for hours, rotating margarita flavors – because they are all absolutely delicious – and who can resist those “big azz” 22 ounceers for a measly 7 dollars? They would even mix two flavors together for you! Man, I miss those days.

But man, I don't miss those mornings-after! I loved tequila but it did not love me back. I remember one time I had so many margaritas; I had a three-day long hangover! But that was long before I would breathe and bleed tequila. Before the real throes of my addiction began, I can remember some wicked headaches. Because before my alcoholism was full-fledged, I wouldn't wake up and have a drink just to get through the day. There was a time when I could just drink socially and be a fun drunk—before I became an angry, crying, mean sloppy waste of an alcoholic. Yes, come to think of it, I do not miss it. I do not miss it at all.” [Cinco de Mayo Post-Substance Abuse Treatment, Part 3—Anonymous]

The August meeting of the Hospitals & Institutions Committee was pleased to welcome new reps Chris, representing the Saints and Sinners group; Nicolas, By the Book; Brian, Saturday Night Live; Tim, Mature and Sober; Ron, Great Reality; Kathleen, Let's Discuss It; Sam ,A Vision for You; Abby, Meeting at the Ranch (Bodga Bay; Gretchen, Came to Believe; Danny, Sunday Morning Smiles; Shirley, Women Empowering Women (new name); Megan, Graton Fellowship; Gretchen, Good Neighbors; and Jason ,Lost and Found. Thank you for being of service!

The Committee also extended a warm “hello” to our visitors: Alicia, Ian, Joanne, Chad, Alex, Silvester—we hope you keep coming back!

Over 30 years of sobriety was being celebrated by members for the month of August.

DON'T FORGET: Unity Day will be held on Saturday, October 8 at the Sebastopol Veteran's Memorial Building; contact Jennifer B. at unityday@sonomacountyaa.org to get involved.

NCAA 64th ANNUAL FALL CONFERENCE will be held in Santa Rosa October 28, 29 & 30th at the Santa Rosa Vets Building and could really use your support. These conferences are self-supporting. No group money is used to pay for the event. The cost of the event is paid through registration fees and 7th Tradition. Attendance is voluntary and as responsible AA members “We are self supporting through our own contributions” and “We do pay our own way.” Please help us carry the message to as many people as possible by registering and giving generously in the basket. You may pre-register online (\$11) at ncc-aa.org.

Remember what it was like—and what's like for you now? Want to help another alcoholic? To find out how you can become involved, please come to the next meeting of the H&I Committee on Wednesday, September 7, at 6:15pm. All are welcome to attend the orientation that begins at 5:45. the location is the Community of Christ Church, 1495 W. Steele Lane, on the corner at Range Avenue (parking is off Range Ave., behind the church, with additional parking at the ice arena).

In service,
Mardi

Three most dangerous words for an alcoholic....."I've been thinking...."

Santa Rosa—After four months of waiting, BTG presenter Chris S is cleared to present the message of hope and help to soon-to-be released inmates of the “Starting Point” program at the North County and Main Detention Facilities(Jail). **18 inmates** filled out blue request cards for help to get them to their first meeting after release. The beginning of the miracle begins with the willingness of the inmates(newcomer) and the generosity of the AA member who passes along the gift which was so freely given to him or her.

“I am responsible when anyone, anywhere, reaches out for help; I want the hand of AA always to be there. And for that I am responsible.”

Remember our statement to keep this gift of sobriety we must give it away. For we have this Twelfth Step opportunity in **Bridging the Gap**. We have the privilege of doing for the newcomer what someone did for us. Here's what BTG needs:

- Volunteers to take newcomers just out of treatment to their first meeting. Just fill out a yellow card (or flyer) and show up for orientation at the bookstore on the **third Tuesday of the Month(September 20th)at 6PM**. We are most in need of residents in the West, East, and North County.
- AA's to be presenters at the assorted venues we currently serve and plan to present our message of hope and help. These facilities include Mountain Vista Farm, Azure Acres, Turning Point, Kaiser, North County(men) and Main(women) Jail, and, possibly Orenda Detox. Come to our orientation on the third Tuesday (September 20th) at 6 PM.
- **A pressing need** AA's who are or are willing to be cleared for Sonoma county jail for presentations at the North County (men) and Main Jail (women).
- Young at hearts as well as younger in bodies! We encounter countless **Millennium** generation types at the treatment centers. Newcomers—especially—relate better with their own age group. Come to Orientation Tuesday, September 20th at 6PM.
- **28 Blue Cards submitted from newcomers in July**

Remember how we suffered from “pitiful and incomprehensible demoralization” and how some stranger took us by the hand to lead us to our personal miracle? We have the opportunity to share that miracle with the newcomer who is lost as we show the path to freedom from our disease.

Will you carry the message to them? If not you, then who?

See you at the Book Store, September 20th at 6PM. Intergroup BTG liaison Chris S. csork@sonic.net or 707-495-3196
