- El grupo en Español para mujeres, "Otra Oportunidad," se ha reubicado de Rohnert Park al 2841 Cleveland Ave. #7 en Santa Rosa.
- If your meeting on Zoom isn't there, double check the online meeting schedule to see if it has become in-person only.

## PI/CPC:

When I first started my sobriety adventure over 10 years ago, I heard that I would have the opportunity to speak to others about Alcoholism and Alcoholics Anonymous through PICPC. I counted down the days until I qualified to go to high schools and DUI classes to educate young people and talk to those who may be struggling. Last year I began educating the students at Santa Rosa Junior College. This education and harm reduction originated from PI. I never imagined my higher power would lead me in that direction. I now have a position where I am able to directly work with students who live in the dorms on campus. It's so fascinating how normalized alcohol is and young adults still do not understand much about alcohol misuse and alcoholism. There are so many students who are interested in AA, I always direct them to our AA meeting site, and to our young people in AA meetings, SOCYPA. Recently we created a beautiful framed poster with multiple AA flyers all in one space with QR codes. It's genius because even if a student does not feel comfortable reaching out to someone, they are able to link to resources where they can find help. Please reach out if you are interested in the large or small beautiful framed posters with pamphlets and QR codes.

## General Service Corner: I am – Responsible?

I began in General Service a few years ago as a GSR but when my term was up I found myself feeling anxious. I began questioning what would be next? I did what I was taught and paused and tried to figure out the next right thing.

I sat with this question and I checked in with my HP but alas no clear answer came forth by the time the district business meeting came around where we were holding an election for this position. I was attending online as I have 3 kiddos, I work full time and go to school part time. Having the General Service meetings as hybrid had really helped me commit to this service position in the first place. When they asked if anyone was available, my virtual hand shot up and just like that I was elected the District 12 Registrar for the remainder of the panel.

Equal parts elation and anxiety hit me. On one hand, I was relieved I had a way to stay in the middle of service - it had proved to be so important to me and really had up leveled my program, my recovery and my life. On the other hand, I had recognized a while ago through step work, talks with my sponsor and my therapist that I am a chronic over do-er. Was I taking on more than I could handle? I reached out to my service sponsor, who didn't at all tell me what to do like I hoped she would, she basically told me to pray on it and trust the right answer will come.

By the time I met with the Area Registrar, I was still so unsure of my ability. However he calmed almost all my fears in short order. He explained the work flow, how he finds ways to fit it around his life, and gave me tips. I began my work and funny thing is, just like all the rest of the program I found out I wasn't alone in this. Progress not perfection has taken on a whole new meaning for me in this role. Even if I make a mistake, I try to mend it and do better next time. I am so grateful I have had the honor to be in this role over the past few months, to greet the new representatives of our district meetings as they first come in, to attend to the business of our district and area, to sit in cars with fellows discussing traditions, concepts and our lives and for being given one more day of sobriety.

## Upcoming Seminar: Life on Life's Terms - Applying The 12-Steps as a Program of Recovery

Alcohol Anonymous is a continuous program of action. This seminar will cover the experience of how the presenters walked through difficult times applying the steps of Alcohol Anonymous to their life problems. Looking for two more speakers with enthusiasm on the topic of working the steps.

If you're interested in being a speaker, please send a short message to [seminars@sonomacountyaa.org](mailto:seminars@sonomacountyaa.org) telling why you'd like to be selected.

## Is the Lord's Prayer chanted at AA Meetings Inclusive?

In 2024 I'm celebrating 26 years of continuous sobriety thanks to better choices and the fellowship of Alcoholics Anonymous. The road was a bumpy but awesome journey as I'm also a healthy and vibrant 75-year-old man.

I began my AA journey as a Christian. Bill W. Dr Bob, and the majority of the "First 100." The Lord's Prayer, though not prescribed in AA principles, became a common meeting-ending prayer. But my journey made a radical change in 2011. Without first realizing it, my "Happy Destiny" led me on the path to atheism.

In 2011, I became a deacon student in the Roman Catholic Church. I read the Bible with a critical eye. God became a man-made myth. With this new outlook I left the Church. I just had to find a new way to define Higher Power, since I now believed ~~in~~ the here and now was of paramount importance. Carrying the message and serving my fellows both in the program and in the world were essential to me. So, what about the Lord's Prayer that was chanted in my home group?

After my de-conversion from Christianity and theism, I learned how excluding the Lord's Prayer actually was to the non-believer, Jew, Muslim, Hindu, Buddhist, Zoroastrian, and even polytheist. I learned empathy and humility if only a bare beginning. I decided to introduce a discussion of replacing the Lord's Prayer to my home group's business meeting. My fellow AA's listened to my explanation of how the Lord's Prayer excludes so many members as well as to prospective newcomers. I shared that the prayer was a direct quote of Jesus Christ in both the gospels of Mathew and Luke in the New Testament. I further asked the group how this prayer tells the newcomer that the Fellowship is non-religious and inclusive to all and accepting to all or no beliefs?

After six months we came to a vote on a motion to replace the Lord's Prayer with the Responsibility Declaration. An influential opinion from an admitted born-again Christian, insisted that the message of inclusiveness prevailed. The motion passed overwhelmingly. Unfortunately, we lost some members, but the majority passed the motion to close with the Responsibility Declaration. I now call my Higher Power "love." It is the group conscience which has helped me stay sober, alive, and happy these almost 26 years.

## Non-Conference Approved Literature: Yes or No?

After hearing the feedback from the Fellowship, and a thorough review of the process to bring Non-Conference Approved Literature into the bookstore, Sonoma County Intergroup Fellowship (SCIF) Steering Committee has realized the need for an informed group conscience and vote by the Fellowship. SCIF kindly requests each meeting gather their group conscience and take a vote at meeting level (typically for multiple consecutive meetings, not just one).

***We are asking groups to vote on whether the bookstore should carry non-conference approved literature. We are not asking you to vote on what books are carried, just whether we should or should not carry these books. The ICSC will vet and vote on all books we sell if we decide to keep carrying them.***

At the January, 2025 General Meeting, the meeting representatives will vote on whether the Bookstore should sell Non-Conference Approved Literature. If you have further questions, please reach out to Amber C., SCIF Chair.

**Please note: The below articles have been submitted by members of the fellowship and do not reflect the opinions of the Sonoma County Intergroup Steering Committee or ICSC. We kindly request additional submissions, both for and against Non-Conference Approved Literature sales in the Bookstore.**

### Book Banning in Sonoma County A.A.

My time as Assistant Manger last year at the bookstore afforded me the privilege to attend a weekly meeting of bookstore managers across the USA. We discussed bylaws and the topic of what materials should be in Intergroup Central Office bookstores. Some groups had managers that made all the decisions; some had all mtgs vote on each item; some used sub-committees such as ICSC.

Bookstores are run like mtgs, Tradition 4 states we are autonomous except in matters affecting other groups or A.A. as a whole.

Intergroup is 'us', our reps go and bring us information. The question of whether we want non-conference approved material in the bookstore is vague and I fear mis-represented. GSO put out form SM F-29 that I highly encourage ALL to read. Bottom line is the Conference does not disapprove of any materials. It is not their job to do so. It is up to the groups. We decide.

This topic we are being asked to vote on is too vague and misleading. I say throw the topic out, redefine it and try again!  
In love and service, Deo D.

### A Few Facts and Thoughts About Those Other Recovery Materials

I don't believe that anyone ever got drunk or died from reading Drop the Rock. But I do know people who have gone to drink and died from anger, resentment, fear and indignation. So, no matter what happens, I hope we can all remember to love and trust and focus first on Tradition One. (Would the meeting in Cotati called Drop the Rock need to change its name?).

I call them Other Recovery Materials, as listed in our Unity Day flier (for years) asking for items for our raffle baskets. That's what they are. There are no Conference Disapproved materials and we're told to encourage anything that will help us or someone else stay sober. According to General Service we should never tell anyone not to do something that might help. I don't tell anyone else what to call anything. We know what we mean. Non-Com sounds judgmental to me. Words matter.

In fact, the process for including these materials was done correctly, although clearly not to everyone's satisfaction. These materials have been requested in the bookstore for

years. We took all of the steps: New Business, Old Business, tell the Steering Committee all along the way. Announce the discussion at successive monthly General Meetings. Not a lot of people were showing up. Some reps hadn't been helped to understand how to report to their group or meeting. It was passed and still a 45 day comment period was announced.

There are some well meaning folks who feel, and believe, that they know the "real" AA way. Bill might not agree. In the East a newcomer is that for 90 days. Here it's often 30. Nobody's wrong. No meeting or group should be forced to use any materials they don't want to use. But banning useful, familiar books, thoughtfully vetted, just doesn't seem necessary or godly or "our way"..

But according to our bylaws the Group Conscience can overturn an ICSC decision, with a  $\frac{3}{4}$  majority vote of the representatives. If that happens I'll be disappointed but I'll respect the Group, try to keep an open mind and heart, remember Rule 62 and keep coming back.

In Love and Service, Clark W.

# Non-Conference Approved Literature: Yes or No?

## Why Sonoma County Intergroup Fellowship Should Not Be Selling Non-Conference Approved Literature

This January our Fellowship will be voting on whether or not the Intergroup Office/ Bookstore should continue selling Non-Conference Approved Literature (Non- CAL). This decision belongs to the Fellowship and in order to arrive at an informed group conscience, there needs to be a robust discussion of the issues.

Our Intergroup Newsletter published a well written statement from the general service office on what is and is not Conference Approved Literature. Now, we'd like to highlight some of the conflicts with our traditions arising when our bookstore sells Non CAL.

Conflict with Tradition One: Disagreements about these materials create conflict within our fellowship, it harms our unity therefore is in conflict with this tradition. While many people will like those ideas and opinions, many will find them offensive and/or incompatible with AA principles. This tradition so clearly states that for most of us there is no sobriety without AA; our life depends on our unity and on the preservation of our program.

Conflict with Tradition Six: When our bookstore sells Non-CAL there is an implied endorsement of the ideas and opinions of the

authors of that material. There is also a lending of the A.A. name to the outside enterprises publishing these materials and that money and property start diverting us from our primary purpose.

Tradition Seven has immense spiritual significance for us individually and collectively as an organization. It tells us to be responsible for ourselves financially; not depending on outside sources, and that includes running a business. This tradition tells our trusted servants that we need to live within our means, the contributions and if they need more money, they come to us, the fellowship. Engaging in money making business is a perilous activity for us, alcoholics. Where does the selling other literature end?

The PREAMBLE to our SCIF By-laws state that SCIF is a service body directly responsible to the A.A. groups and provides services as required. In all of its proceedings, the Sonoma County Intergroup shall observe the spirit of A.A. Traditions.

Our SCIF should not be selling Non-CAL because it's mandatory for SCIF to observe A.A. Traditions. Any conflict with any tradition should be a compelling reason to stop selling it.

respectfully, Esther S., Gail M., Steve Z,

## Traditions & the Non-Conference Approved Literature Discussion

Many groups in Sonoma County have already been talking at great length about the changes in our Central Office, generally referred to as "the Bookstore." The discussion topic now before us all—whether the Central Office should sell non-Conference approved literature—is really part of a much bigger conversation about how the Fellowship intends to apply AA Traditions in our daily affairs (specifically, Traditions 5, 6, and 7)..

Of course the questions now before Sonoma County are not at all new. The General Service Office in NY has a publication called "The AA Guidelines for Central or Intergroup Offices." Instructions on how to run a Central Office and its sale of "books" are already spelled out for us.

The Guidelines state that "At regular intervals, the central office may publish and distribute up to date lists of meetings and other information about local AA services. Many intergroup/central offices sell AA Conference-approved literature for the convenience of local groups.

So it seems odd that groups are being asked to discuss this non-AA literature issue, when the greater question is: Does Sonoma

County want to repurpose our Central Office into a more commercial bookstore? The sale of merchandise directly to the alcoholic (hats, t-shirts, non-AA approved literature, etc) is not part of the designated function of a Central Office. Just because we lovingly call our Central Office "the bookstore" doesn't mean that it IS a commercial bookstore.

So when we address the non-AA approved literature question, we are really being asked to ignore the Instruction Manual for how to run a Central Office.

But why? Why would we ignore AA's hard-won experience, upon which our Guidelines and Traditions are based? Has our Central Office commercialized because we are not supporting them financially (Tradition 7)? If so, a conversation about individual inventory items is wholly irrelevant.

We can easily get distracted by the "ancillary merchandise" issue. My hope is that we can do an inventory in light of AA's Traditions and Guidelines. And in order to do that, we need more than a Yes/No vote in December.

Submitted in love and service, Adriane G.

## Vote on Non-Conference Approved Literature

Intergroup Reps in Sonoma County AA are asking their meetings & groups to discuss & vote if Non- CAL should continue to be sold in the AA Central Office Bookstore. This is a change from the past; since the Non-Profit Articles of Incorporation state that one of our Primary Purposes is to distribute AA Literature. Every dollar that is put into a meeting basket supports the Central Office and the Bookstore, so every Sonoma County AA member can vote for changes in policy. Sales of the few book titles that are Non-CAL do not cover Bookstore rent, but a Yes vote opens the door for many other books to be sold. Do we want Al-Anon, Overeaters Anon, Sobriety without God, and miscellaneous sober authors' books to be sold in our AA Central Office Bookstore? Last week, the SCIF Steering Committee voted not to advertise Alateen meetings. Why then are we currently selling Al-Anon literature and workbooks?

The Bookstore is in our AA Central Office, and we are not an

Alano club (like Petaluma Alano Club). An independent Alano Club is not a Non-Profit; they have meetings at their locations but are not part of AA. They can sell anything they want to support their club and pay rent and other expenses. However, there are regulations for how a Non-Profit organization handles sales; and sales should not show large increases of profits after expenses are paid.

Please be aware this is NOT a vote on merchandise, just literature. We have sold chips, leather book covers, jewelry and other items for more than 20 years. Any questions about merchandise are separate from this vote.

Thank you for reading, and please pass this information to all your meetings to make an Informed Decision after sharing and discussion sessions.
